

STEVEN JOSEPH

KG-03162022-002 | WEB DEVELOPER

## PROFILE SUMMARY

Looking forward to a front-end developer position in an organization with good growth prospects. I'm an efficient team player with effective communication skills. I'm very keen on details. I'm a life long learner and I love to teach what I learned so I can absorb it better and help my colleagues as well.

## CERTIFICATIONS

**KODEGO | ( April 2022 - August 2022 )**

**Front End Web Development**

### Highlights:

- Rank 4th - Kodego Front-End Development Batch 9
